The image shows a smartphone screen with the 'Identity Verify' interface. The screen has a blue header with a back arrow and the title 'Identity Verify'. Below the header, there is a prompt 'Select an existing bank account>'. The main form contains several fields: 'Full Name' with the placeholder 'Please enter real name' (this field is highlighted with a red border), 'Currency' set to 'MYR', 'Bank' with the placeholder 'Please select bank', and 'Bank Account' with the placeholder 'Please enter account No'. Below these fields is a 'Remarks' section with a character count '0/200'. At the bottom of the form is an 'OK' button. A 'Notice' section at the very bottom contains the following text: 'Please fill in your full name, and the name must be the same as your bank account, for the process of top-up/withdraw transaction later. We do not allow any third-party name to trade for top-up/withdraw, and will not be process if found. Please cooperation, thank you.'
