The screenshot shows a mobile app interface for changing an email. At the top, there's a blue header with a back arrow and the text "Change email". Below the header, a message says "Please verify first for email modification". There are two tabs: "Mobile OTP" (selected) and "Email OTP". Under the "Mobile OTP" tab, there's a text input field containing "+60 12***678". Below this, there's a field labeled "rMeO - 365167" which is highlighted with a red box. To the right of this field is a button labeled "Resend(226)". Below these fields is a large blue button labeled "Next", also highlighted with a red box. At the bottom, there's a link that says "Didn't receive OTP? [Contact Us](#)".
